DETAILED ACTION

Response to Arguments

Applicant's arguments, see pages 8-9, filed 20 December 2010, with respect to the rejections of the claims have been fully considered and are persuasive. The rejections of the claims have been withdrawn. Examiner agrees with Applicant that Applicant's present amendments to the claims overcome the previous rejections under 35 U.S.C. § 101, as well as incorporate previously noted allowable subject matter. Accordingly, the present application is in condition for allowance.

Allowable Subject Matter

Claims 9, 10, 12-15, 18, 21, 24 and 32 are allowed.

The following is an examiner's statement of reasons for allowance:

On page 9 of the non-final rejection mailed 20 September 2010, Examiner noted allowable subject matter. Applicant has incorporated the allowable subject matter into independent claims 9, 18, 21, 24 and 32. Further, Applicant has resolved the issues with respect to 35 U.S.C. § 101 set forth in said non-final rejection. Accordingly, claims 9, 18, 21, 24 and 32 are allowable over the prior art for the reasons noted on page 9 of said non-final rejection for previously recited claim 11. Claims 10 and 12-15 each ultimately depend from claim 9, and are therefore also allowable due to their respective dependencies from an allowable claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
